I hope you never lose your sense of wonder,
You get your fill to eat but always keep that hunger,
May you never take one single breath for granted,
God forbid love ever leaves you empty handed,
I hope you still feel small when you stand beside the
ocean,
Whenever one door closes I hope one more opens,
Promise me that you'll give faith a fighting chance,
And when you get the choice to sit it out or dance.

I hope you dance....
I hope you dance,

I hope you never fear those mountains in the distance,
Never settle for the path of least resistance
Living might mean taking chances but they're worth
taking,
Loving might be a mistake but it's worth making
Don't let some hell bent heart leave you bitter
When you come close to selling out reconsider
Give the heavens above more than just a passing
glance,
And when you get the choice to sit it out or dance...

[Sung over the top::]
Time is a wheel in constant motion always rolling us
along,
Tell me who wants to look back on their years
And wonder where those years have gone.

I hope you dance....
I hope you dance,
I hope you dance....
I hope you dance,

I hope you still feel small when you stand beside the
ocean
Whenever one door closes I hope one more opens
Promise me that you'll give faith a fighting chance
And when you get the choice to sit it out or dance

Dance....

[Sung over the top::]

Time is a wheel in constant motion always rolling us
along,
Tell me who wants to look back on their years
And wonder where those years have gone.

I hope you dance,
I hope you dance....
I hope you dance,
I hope you dance....
I hope you dance,

Time is a wheel in constant motion always rolling us
along
Tell me who wants to look back on their years
And wonder where those years have gone.
