I wanna know
Who ever told you I was letting go
The only joy that I have ever known
Girl, they're lying

Just look around
And all of the people that we used to know
Just given up, they wanna let it go
But we're still trying

So you should know this love we share was never made
to die
I'm glad we're on this one way street just you and I
Just you and I

I'm never gonna say goodbye
'Cos I never wanna see you cry
I swore to you my love would remain
And I swear it all over again and I
I'm never gonna treat you bad
'Cos I never wanna see you sad
I swore to share your joy and your pain
And I swear it all over again
All over again

Some people say
That everything has got its place in time
Even the day must give way to the night
But I'm not buying
'Cos in your eyes
I see a love that burns eternally
And if you see how beautiful you are to me
You'll know I'm not lying

Sure there'll be times we wanna say goodbye
But even if we try
There are something's in this life won't be denied
Won't be denied

I'm never gonna say goodbye
'Cos I never wanna see you cry
I swore to you my love would remain

And I swear it all over again and I
I'm never gonna treat you bad
'Cos I never wanna see you sad
I swore to share your joy and your pain
And I swear it all over again

The more I know of you, is the more I know I love you,
And the more that I'm sure I want you forever and ever
more
And the more that you love me, the more that I know
Oh that I'm never gonna let you go
Gotta let you know
That I

I'm never gonna say goodbye (I'm never gonna say
goodbye)
'Cos I never wanna see you cry (I never wanna see you
cry)
I swore to you my love would remain
And I swear it all over again and I (swear it all over
again, and I)
I'm never gonna treat you bad (I never wanna treat you
bad)
'Cos I never wanna see you sad (I never gonna see you
sad)
I swore to share your joy and your pain (oh no, oh no)
And I swear it all over again
All over again
All over again
And I swear it all over again
