I was full of  
Simple dreams, yeah  
Thought I'd find her  
And be with her full time  
She's not mine,  
Thought I'd find  
A name with mine  
4:00 am on Monday morning  
And I can't get you  
Out of my head  
At all, should I call  
Hearts gonna  
Fall in love again

CHORUS:  
With love  
There is no pride  
Should've been strong  
Taking chances on  
Love isn't wrong  
There's nowhere  
Left to hide,  
Wrong or right  
Could it be that  
I hold you

I was never one  
To beg at all  
But I'm dying here for  
All of your love

Repeat chorus

And all these thoughts  
Race through my head  
Will it be, that  
I'll never have  
Your touch,  
Your feel  
You near to me  
Will it ever be  
Oh

Repeat chorus
