Baby I've been thinking of you  
Gotta picture in my mind  
They say I'm falling in love  
Makes you blind  
You opened up my eyes  
Brought our feelings deep inside  
No one believes in me like you do  
No one can ever take your place  
You're like food to my soul  
Only you..can make me feel this way  
And I gotta say  
When I'm feeling down you are there  
And while you're holding me..you say  
There's no sacrifice to be loving you, no no  
And I feel it too, yes I do  
But only for you  
Baby there's a reason why we met  
Why we still are holding on  
I never knew a love so strong  
When I look into your eyes  
Knowing my love will never die  
Can't live without you by my side  
No one can ever take your place  
You're like food to my soul  
Yes you are

*[CHORUS]*

And I gotta say  
When I'm feeling down you are there, you say  
There's no sacrifice to be loving you, no no  
And I feel it too, yes I do  
But only for you
