Smile an ever lasting smile  
A smile can bring you near to me  
Y no, no quiero ni pensar  
Llorar porque no estÃ©s aquÃ©  
This world has lost its glory  
Let's start a brand new story  
Now my love  
You think that I don't even mean  
A single word I say  
Que puedo hacer  
Si solo con palabras  
Te puedo retener

Talk in ever lasting words  
And dedicate them all to me  
And I will give you all my life  
I'm here if you should call me

Yo sÃ© difÃ©cil es creer  
Palabras nada mas

Que puedo hacer  
Si solo con palabras  
Te puedo retener  
It's only words  
And words are all I have  
To take your heart away

Da da da da da da da  
Da da da da da da da  
Da da da da da da da  
Da da da da da da da

This world has lost its glory  
Let's start a brand new story  
Now my love  
Yo sÃ© difÃ©cil es creer  
Palabras nada mas

Que puedo hacer  
Si solo con palabras  
Te puedo retener

It's only words  
And words are all I have  
To take your heart away

Que puedo hacer  
Si solo con palabras  
Te puedo retener
