Not often that you find someone
Who can fulfill all your dreams inside
Like an angel from above
She was the one for me, believe
But it doesn't wither like a flower in snow
I always wanted you to know

We're going to build a bridge between our hearts
Goin' to cross the river of love into a paradise,
paradise
Goin' to walk up the road hand in hand
To the castle in the sky
Where we're goin' to live, goin' to live, yeah

When she opens up her eyes
It's like a perfect sunrise outside
I put my fingers through her hair
And it feels like silk to me
But it doesn't wither like a flower in snow
I always wanted you to know

We're goin' to build a bridge
Between our hearts
Goin' to cross the river of love
Into a paradise, paradise

Goin' to walk up that road
Hand in hand
To the castle in the sky
Where we're goin' to live, goin' to live
Woh, woh, woh, yeah

Don't you know we're goin' to build
Between our hearts, yeah, yeah, yeah, yeah
Cross the river of love
Into paradise, paradise

Goin' to build a bridge between our hearts
Goin' to cross the river of love into a paradise,
paradise
Goin' to walk up that road, hand in hand
To the castle in the sky

Where we're goin' to live, goin' to live
Yeah, in paradise
