Ricky Ross and Ronan Keating

Here's a song for the maker  
Maybe the rest are just display  
Here's my heart go on and take it  
For one night or just walk away  
There's one heart and one voice  
There's one song and one choice

Chorus:

She gets me inside  
So I don't know wrong from right  
And it all goes quiet  
Cause everything, everything, everything  
Is gonna be all right

Sometimes love can make you feel good  
Sometimes love treats you like nothing should  
Sometimes your heart's where your feet have stood  
Nothing's gonna change it and nothing could  
But with one heart and one hope  
One night and the search is over

(Chorus)
