Written by Ronan Keating and John O'Kane

Baby something's wrong  
I don't know where you are  
I don't know why you're gone  
You don't answer the phone

Lately things have changed  
You don't come around  
You don't say my name  
Nothing feels the same, crazy

Come on baby ,  
Come home save me  
This heart is to big alone  
Come on baby  
Can't keep playing  
This solitary song

Funny can't explain  
Since you went away  
It's a crying shame  
But I'll take the blame  
Just finished this game  
Can't take the pain, no more

Come on baby,  
Come home save me  
This heart is to big alone  
Come on baby,  
Can't keep playing  
This solitary song

Come on baby,  
This bed is to big alone  
Come on baby,  
Can't keep playing  
The solitary song

Where do I go in the winter time  
Where do I go when the sun don't shine  
And you're on my mind , baby

I can't sleep at night  
Cos I'm missing you like crazy

Come on baby  
Come home save me  
This heart is to big alone  
Come home baby  
Can't keep playing this solitary song

Come on baby  
Can't keep playing this solitary song  
This bed is to big alone  
Come on baby  
Can't keep playing this solitary song
