So true - funny how it seems always in time

But never in line for dreams.

Head over heels

when toe to toe -

This is the sound of my soul

this is the sound.

I bought a ticket to the world but now I've come back  
again.

Why do I find it hard to write the next line?

Oh

I want the truth to be said.

I know this much is true

I know tkis much is true.

With a thrill in my head and a pill on my tongue

Dissolve the nerves that have just begun.

Listening to Manrin all night long -

This is the sound of my soul

this is the sound.

Always slipping from my hands

sand's a time of it's own.

Take your seaside arms and write the next line

Oh

I want the truth to be known.

I know this much is true

I know this much is true

I bought a ticket to the world but now I've come back  
again. . .

This much is true. this much is true

this much is true
