Smile, an everlasting smile

A smile can bring you near to me

Don't ever let me find you gone

Cause that would bring a tear to me

This world has lost it's glory

Lets start a brand new story

Now, my love

You think that I don't even mean

A single word I say...

It's only words

And words are all I have

To take your heart away

Talk, in everlasting words

And dedicate them all, to me

And I will give you all my life

I'm here if you should call to me

You think that I don't even mean

a single word I say...

CHORUS, repeat

Da da da da da da da

Da da da da da da da

Da da da da da da da da

Da da da da da da da da

This world has lost it's glory

Let's start a brand new story

Now, my love

You think that I don't even mean

a single word I say...

repeat CHORUS twice
