I've spent the best days of my life with you

days of love

days of laughter

but now I feel blue

a tear is rolling(!) down from my eye

now I know our love was based on a lie

how could you be so mean

told me you were sixteen

I'll never stop blaming myself

for not seeing that you only were twelve...

so tell me

how can I believe in love anymore

when I've been betrayed

by the one I adore

how can I ever fall in love again

-being hurt by a twelve year old woman

now I know the meaning of the phrase;

you should never ask a woman

about her age

because your heart will fall apart

if you ever catch a glimpse of her ID-card

the most beautiful girl I've ever seen
told me she was sixteen
it hurts me so
-I found out too late
she was born in nineteen eighty eight...
so tell me
how can I believe in love anymore
when I've been betrayed
by the one I adore
how can I ever fall in love again
- being hurt by a twelve year old woman
