Ooh, yeah, yeah
Ooh yeah, yeah
Hey Mr. President
Tell me the truth
Why are you stealing
The future from our youth?
The climate is changing
-I worry a lot
When it's cold on Minorca
And Iceland is hot
So hey Mr. President
-what is the plot?
Ooh, yeah, yeah
Ooh, yeah, yeah
Hey Mr. President
I have been told
That more and more people
Are catching the cold
Allergics are sneezing
The air is not clean
And more and more youngsters
Enjoy nicotine
So hey, Mr. President
-change the routine
Ooh, yeah, yeah
Ooh, yeah, yeah
Hey Mr. President
Who is to pay?
When ten different species
Are killed everyday
What would you think
That the forest would choose
You getting richer
Or loosing the moose
Hey Mr. President
-I think you will loose...
Ooh, yeah, yeah
Ooh, yeah, yeah
Ooooh - Mr. President
Look me in the face
It's time for you to do the right thing
We're short on time to save the human race

'cause the quality of my semens
Is decreasing as I sing
So hey, Mr. President
Save the day, Mr. President
Make everything be okay
Mr. President...
Ooooooooooh yeah yeah
Ooooooooooh yeah yeah
