Kick the ball! Kick the ball
Even 'though you're big or small
Winter, summer, spring or fall
Kick the ball! Kick the ball
If you want to beat them all,
You know you have to score a goal, so
Kick the ball!

In Belgium and in the Netherlands a fight is on its way
The battleground is a footballfield where players meet
to play
So get in position and mark your man
Don't you touch the ball with your hand
The most important thing of all:
You have to kick the ball.

Kick the ball! Kick the ball
Even 'though you're big or small
Winter, summer, spring or fall
Kick the ball! Kick the ball
If you want to beat them all,
You know you have to score a goal, so
Kick the ball!

Into the fight every nation send people in similar suits
A team made up of twenty men, including substitutes
So make a tackle and overlap
Don't get caught in the offside-trap
The most important thing of all:
You have to kick the ball.

Kick the ball! Kick the ball
Even 'though you're big or small
Winter, summer, spring or fall
Kick the ball! Kick the ball
If you want to beat them all,
You know you have to score a goal, so
Kick the ball!

Kick the ball! Kick the ball
Even 'though you're big or small
Winter, summer, spring or fall

Kick the ball! Kick the ball
If you want to beat them all,
You know you have to score a goal, so
Kick the ball!
