Kick the ball! Kick the ball  
Even 'though you're big or small  
Winter, summer, spring or fall  
Kick the ball! Kick the ball  
If you want to beat them all,  
You know you have to score a goal, so  
Kick the ball!  
In Belgium and in the Netherlands a fight is on it's way  
The battleground is a fotballfield where players meet  
to play  
So get in position and mark your man  
Don't you touch the ball with your hand  
The most important thing of all:  
You have to kick the ball.  
Kick the ball! Kick the ball  
Even 'though you're big or small  
Winter, summer, spring or fall  
Kick the ball! Kick the ball  
If you want to beat them all,  
You know you have to score a goal, so  
Kick the ball!  
Into the fight every nation send people in similar suits  
A team made up of twenty men, including substitutes  
So make a tacle and overlap  
Don't get caught in the offside-trap  
The most important thing of all:  
You have to kick the ball.  
Kick the ball! Kick the ball  
Even 'though you're big or small  
Winter, summer, spring or fall  
Kick the ball! Kick the ball  
If you want to beat them all,  
You know you have to score a goal, so  
Kick the ball!  
Kick the ball! Kick the ball  
Even 'though you're big or small  
Winter, summer, spring or fall  
Kick the ball! Kick the ball  
If you want to beat them all,  
You know you have to score a goal, so  
Kick the ball!
