Boyzvoice - Let Me Be Your Father Christmas

Do you remember the time
When you realized
Father Christmas was just a lie.
How could it be true
They were lying to you
And you just wanted to die
And ever since that cruel should dead
Your Christmas-feeling has gone away
But don't be sad
Have no fear
I'll take you into Christmas-mood again
Let me be your father Christmas tonight (tonight)
Plippety-plopp
Ding-dong (ding-dong merry lee-o-hi)
It feels all right
Let us make love behind the Christmas-tree
Were nobody sees us
Hooray, hooray It's the birthday of Jesus
I will bring you present
I will give you hugs
You can serve me porridge and you can serve me
"glgg"
And I promise you that stars will shine
When father Christmas take you from behind
Let me be your father Christmas tonight (tonight)
Plippety-plopp
Ding-dong (ding-dong merry lee-o-hi)
It feels all right
Let us make love behind the Christmas-tree
Were nobody sees us
Hooray, hooray It's the birthday of Jesus
Jingle jingle ho ho
Father Christmas says hello
You know what I'd like girl
I'd like to boom you into my sack
And bring you on to my sledge
Fly you all the way to the North-pole
Yeah
We can build us self a huge igloo
Were we can make love
And raise kids

Aha
Smoke Christmas-
Dressed in red
We'll have a merry merry Christmas
The whole year trough
Yeah
Let me be your father Christmas tonight (tonight)
Plippety-plopp
Ding-dong (ding-dong merry lee-o-hi)
It feels all right
Let us make love behind the Christmas-tree
Were nobody sees us
Hooray, hooray It's the birthday of Jesus
Hooray, hooray It's the birthday of Jesus
