Help me turn this page, baby...

I had never read a book before

When I say you through the windows

Of the Deichmann library

So I went inside, trough the door

And you whispered 'can I help you

Find the book you're thinking of'

(the book you're thinking of)

And that's how I fell in love

With my oooh oooh

Library Girl

You're my oooh oooh

Library Girl

I ain't like those cooks

I deliver my books to you

My Library Girl

And now I just can't help myself

Everyday I want to borrow story books from you

(story books from you)

Just to see your face among the shelves

I've read a thousand books

About a girl called Nancy Drew

And that's how much I love you

You're my oooh oooh

Library Girl

You're my oooh oooh

Library Girl

I ain't like those crooks

I deliver my books to you

My Library Girl

My Library Girl

My Library Girl

My Library Girl
