

Boyzvoice "Quanta Costa Cervesa?"

Visit "[Quanta Costa Cervesa?](#)" on MotoLyrics.com

We're going with a plane to Menorca
Gonna have a party with a disco and rock-ah
We're going to a party, a party in the south
But when we go to party, we need something in the
mouth
So everybody shout:
Ref:
(uno, dos, tres, cuatro)
Hola, Seorita, quanta costa cervesa?
Sol or Corona, we want to drink cervesa!
We are old enough, let us drink cervesa!
Hola. Seorita, quanta costa cervesa?
Met a girl in a big Spanish disco
I looked her in the eye and I said to her: Let's go!
We're going to a bedroom, a bedroom in my house
But when we go to bedroom, we need something in the
mouth
So come with me and shout:
Ref:
(Uno, dos, tres, cuatro)
Hola, Seorita, quanta costa cervesa?
Sol or Corona, we want to drink cervesa!
We are old enough, let us drink cervesa!
Hola, Seoritas, quanta costa cervesa?
Bridge:
I dislike coffee, I dislike tea
I dislike Farris, don't bring that to me
'cause I say to thee
Ref:
(uno, dos, tres, cuatro)
Hola, Seorita, quanta costa cervesa?
Sol or Corona, we want to drin cervesa!
We are old enough, let us drin cervesa!
Hola, Seorita, cuanta costa cervesa
