I have spent the best days of my life with you  
Days of love, days of laughter, but now I feel blue  
A tear is rolling down from my eye  
Now I know that our love was based on a lie  
How could you be so mean  
Told me you were sixteen  
I'll never stop blaming myself  
For not seeing that you only were twelve, so tell me...  
Ref:  
How can I believe in love anymore  
When I've been betrayed by the one I adore  
Tell me how can I ever fall in love again  
Being hurt by a twelve year old woman (twelve year old woman)  
Now I know the meaning of the phrase:  
You should never ask a woman about her age  
Because your heart will fall apart  
If you ever catch a glimpse of her ID-card

It hurts me so - I found out too late  
She was born in nineteen eightyeight, so tell me...  
Ref:  
How can I believe in love anymore

Tell me how can I ever fall in love again  
Being hurt by a twelve year old woman  
Bridge:  
Deep in my heart she means everything to me  
And sometimes I wish that I told her  
That even if her parents are planning to sue me  
I'll be back when she's four years older  
Just tell me...  
Ref:  
How can I believe in love anymore (how can I believe)  
When I've been betrayed by the one I adore  
Tell me how can I ever fall in love again  
Being hurt by a twelve year old woman  
How can I believe in love anymore  
When I've been betrayed by the one I adore
