Lyrics: G. Gross, C. Capek

Music: G. Gross, C. Capek, G. Raschke

Refrain:

No, nobody does it better than you  
Nobody makes me feel like you do  
Cause you are the sun that makes my life shine  
And you are the love I've always tried to find

I could spend a lifetime  
Telling you how bright you shine  
And that you're one in a million  
I'd give you all my time  
And that you're worth more  
Than anything that I could ever buy,  
If I could, I would give you my life.

So tell me if there's something that you want,  
I got it right here.  
If there's something that you ask,  
I got it right here.  
If there's something that you see  
That you like  
That you feel  
That you might need,  
I got it right here

And if there's ever something bugging you  
Or troubling you,  
Then I'll be right there  
Hugging you and snuggling you  
Until the trouble is trough,  
Cause baby girl, we were meant to be  
One team  
You and me  
I can see

Nobody  
Filling me with life like you and  
Nobody  
Who could be my wife like you and

Nobody,  
I just want to rise with you to skies so blue

Refrain

You can make a man  
Give you all that he's got,  
And baby  
You can make a man  
Treat you hotter than hot,  
And baby  
You can make a man  
Feel that he's on top.  
He'll never stop treating you right,  
No, he'll never stop, no

I'll spend the rest of my life  
Giving you diamonds and pearls  
Giving you my whole world, my girl.  
And even more, I'll give you  
Things that money can't buy.  
My friendship,  
My time,  
My love,  
My life

Nobody filling me with life like you and  
Nobody who could be my wife like you and  
Nobody, I just want to rise with you to skies so blue

Refrain

I need nothing but you  
All day and night  
And I know that us two  
Can make it right  
I want you to be by my side

Refrain 2x
