My old man worked hard all his life
Never had that much to show
Next door neighbour bought a lottery ticket
Now he's rollin' in that Powerball dough

Hard work never hurt nobody but I'd rather be lucky
Hard work never hurt nobody but I'd rather be lucky

Our hometown Queen had the guys all lined up
With diamonds, debills and degrees
Well who'da ever thought that she'd run off
With a guitar plyayer like me

Hard work never hurt nobody but I'd rather be lucky
Hard work never hurt nobody but I'd rather be lucky

I never had nothing turn out like I planned
Fate deals the cards and I play the hand

Well it's good day when your buddy buys lunch
And every light you hit turns green
And your girlfriend can't keep her hands off you
If you know what I mean

Hard work never hurt nobody but I'd rather be lucky
Hard work never hurt nobody but I'd rather be lucky

I never had nothing turn out like I planned
Yeah fate deals the cards and I play the hand

Hard work never hurt nobody but I'd rather be lucky
Hard work never hurt nobody but I'd rather be lucky
Hard work never hurt nobody but I'd rather be lucky
Hard work never hurt nobody but I'd rather be lucky
