When you find yourself in some far off place And it causes you to rethink some things You start to sense that slowly you $\hat{A}$ ¢ $\hat{A}$  $\in \hat{A}$  $^{\text{m}}$  re becoming someone else And then you find yourself

When you make new friends in a brand new town And you start to think about settling down The things that would have been lost on you are now clear as a bell And you find yourself, yeah, that  $\hat{A} \Leftrightarrow \hat{A}^{\text{TM}}$  s when you find yourself

Well, you go through life so sure of where you $\tilde{A}$ ¢ $\hat{A}$  $\in \hat{A}$  $^{\text{TM}}$  re heading And you wind up lost and  $i\tilde{A}$ ¢ $\hat{A}$  $\in \hat{A}$  $^{\text{TM}}$ s the best thing that could happen  $\tilde{A}$ ¢ $\hat{A}$  $\in \hat{A}$  $^{\text{TC}}$ Cause sometimes when you lose your way  $i\tilde{A}$ ¢ $\hat{A}$  $\in \hat{A}$  $^{\text{TM}}$ s really just as well  $\tilde{A}$ ¢ $\hat{A}$  $\in \hat{A}$  $^{\text{TC}}$ Cause you find yourself, yeah, that's when you find yourself

When you meet the one that you $\tilde{A}$ ¢ $\hat{A}$ € $\hat{A}$ <sup>™</sup> ve been waiting for

And she $\tilde{A}$  $\notin \hat{A}$  $\in \hat{A}$  $^{\text{TM}}$ s everything that you want and more You look at her and you finally start to live for someone else

And then you find yourself, yeah, that  $\hat{A} \notin \hat{A} \in \hat{A}^m$  s when you find yourself

We go though life so sure of where we  $\tilde{A} \not\in \hat{A}^{\mathbb{M}}$  re heading

And then we wind up lost and  $it\tilde{A}\! \! \uparrow\! \! \hat{A}^{\!\!\! m} \! \! \! \! s$  the best thing that could happen

Sometimes when you lose your way itâ€Â™ s really just as well

Because you find yourself, yeah, that  $\hat{A} \notin \hat{A} \in \hat{A}^m$  s when you find yourself
