I remember trying not to stare the night that I first met  
you  
You had me mesmerized  
And 3 weeks later in the front porch light taking 45 min  
to kiss goodnight  
I hadn't told you yet but I thought I loved you then

#### Chorus

Now you're my whole life now you're my whole world  
I just can't believe the way I feel about you girl  
Like a river meets the sea  
Stronger than it's ever been  
We've come so far since that day  
And I thought I loved you then.

I remember taking you back to right where I first met  
you  
You were so surprised  
There were people around  
But I didn't care I got down on one knee right there  
And once again I thought I loved you then

#### Chorus

Now you're my whole life now you're my whole world  
I just can't believe the way I feel about you girl  
Like a river meets the sea  
Stronger than it's ever been  
We've come so far since that day  
And I thought I loved you then.

I can just see you with a baby on the way  
I can just see you when your hair is turning gray  
What I can't see is how I'm ever gonna love you more  
But I've said that before.

Now you're my whole life now you're my whole world  
I just can't believe the way I feel about you girl  
Well look back some day at this moment that we're in  
And I'll look at you and say and I thought I loved you  
then  
And I thought I loved you then...
