Everybody, let's have some fun  
You only live once and when you're dead you're done  
Let the good times roll, yeah let the good times roll  
I don't care if you're young or old  
Let's get together and let the good times roll

Don't stand there mumblin', talkin' trash  
If you wanna have a ball you gotta go out and spend  
some cash  
And let the good times roll, let the good times roll  
I don't care if you're young or old  
Get together and let the good times roll  
Look out B.P.

Hey Mr. Landlord I tell you what to do  
When the police comes around tell 'em they're invited  
too  
Let the good times roll, let the good times roll  
I don't care if you're young or old  
Let's get together and let the good times roll

Don't sit there mumblin', talkin' trash  
If you wanna have a ball, you gotta go out and spend  
some cash  
And let the good times roll, let the good times roll  
I don't care if you're young or old  
Get out, get together and let the good times roll  
Hail to the King

Hey everybody, tell everybody that B.P. and B.B's in  
town  
I got a dollar and a quarter, I'm just rarin' to clown  
And don't let nobody play us cheap  
I got fifty cents more that I'm gonna keep

So let the good times roll, yeah let the good times roll  
I don't care if you're young or old  
Oh, I'm to get together and let the good times roll  
Come on, come on

Yeah, let the good times roll
