### **"Let The Good Times Roll"**

(feat. B.B. King)

Hey everybody, let's have fun  
You only live but once and when you're dead you're  
done  
You better let the good time roll, baby, oh, let's get it  
own mama  
And I don't care if you're old now  
Get yourself together and let the good time roll

Don't sit there mumbling, talkin' trash  
If you want to have a ball you got to go out, spend  
some cash  
L-I-let the good times roll, babe, oh baby, oh baby  
And I don't care if you're old now, get together and let  
the good time roll

Hey y'all tell everybody, Ray Charles' in town  
Got a dollar and a quarter and I'm just ringing the clock  
now  
Don't let nobody, play me cheap  
I got fifty cents more than I'm gonna keep

I'm gonna let the good times roll now, oh baby, oh baby  
And I don't care if you're old now, get together and let  
the good time roll

Hey no matter whether, rainy weather  
If you want to have a ball you got to get yourself  
together  
Oh, get yourself under control  
Ohh, yeah, oh
