Life is like a mountain railway  
With an engineer that's brave  
We must make the run successful  
From the cradle to the grave  
Watch for curves and hills and valleys  
Never falter never fail  
And keep your hands upon the throttle  
And your eye upon the rail

Blessed Savior, Thou wilt guide us  
Till we reach that blissful shore  
Where the angels wait to join us  
In God's praise forevermore

As you roll across the trestle  
Spanning Jordan's swelling tide  
You behold the Union Depot  
Into which your train will glide  
There you'll meet the Superintendent  
God, the Father, God, the Son  
With a hearty joyous greeting  
Weary pilgrim, welcome home

Blessed Savior, Thou wilt guide us  
Till we reach that blissful shore  
Where the angels wait to join us  
In God's praise forevermore

Blessed Savior, Thou wilt guide us  
Till we reach that blissful shore  
Where the angels wait to join us  
In God's praise forevermore  
Where the angels wait to join us  
In God's praise forevermore

So turn it on, turn it up  
And sing along
