Well hey, hey Mr. Policeman  
Bet I can drive faster'n you can  
C'mon hoss lets have some fun  
Go on shoot me with a radar gun  
You look bored and I sure am  
Catch me if you can  
Hey hey mr. policeman  
I got a 75 firebird trans am  
With a 455 up under the hood  
Me and my brother got it runnin good  
Wake up behind those ol' ray-bans  
Catch me if you can  
Go on turn on your blue lights (sooo pretty!)  
You know you want to I just flew by  
I can see you peeling out  
Hows my dust taste in your mouth?  
C'mon smokey its time to race  
Lets have us a high speed chase  
Well hey hey mr. policeman  
Chopper in the air and a couple of swat vans  
That's not fair they're blockin the road  
Now where am I supposed to go?

Time to use my backup plan  
Catch me if you can

Hey hey mr. policeman  
Bet I can run faster'n you can  
With your big pot belly  
And your cowboy boots,  
100 bucks says you won't shoot  
I know these woods like the back of my hand  
Come on catch me if you can  
Go on turn on your spotlight (sooo shiny!!)  
I got runnin shoes and im younger than you  
And I got all night  
Theres no way you're keepin up with me  
Just go on back to the Krispy Kreme  
If you wanna quit I understand  
Catch me if you can  
Hey hey mr. policeman  
I said hey hey mr. policeman

Im in the jailhouse now  
I'm in the jailhouse now  
They told me once or twice  
Son, respect my authority  
I'm in the jailhouse now
