I'm sittin' on the fender of someone else's truck  
Drinkin' Old Crow Whiskey and hot 7 Up  
Out in the parkin' lot

You can hear the band playin' right through the walls  
Ain't no cover charge, ain't no last call  
Out in the parkin' lot

Yeah, I love to see the neon dancin' on the gravel  
And I love to hear the pickup trucks as they come  
unraveled  
Some've given up, some've given in  
Seems like everybody's lookin' for a friend  
Out in the parkin' lot

Whoops, there's a couple who could not wait to get  
home  
They're probably in love, so let's leave them alone  
Out in the parkin' lot

There's a couple of cowboys puttin' up their dukes  
But there weren't much to it after both of 'em puked  
Out in the parkin' lot

Yeah, I love to see the neon dancin' on the gravel  
And I love to hear the pickup trucks come unraveled  
Some've given up and some've given in  
Seems like everybody's lookin' for a friend  
Out in the parkin' lot

Now, the band is on the bus and they're all loaded up  
to leave  
But the drummer's got a girlfriend and she's tuggin' at  
his sleeve  
Out in the parkin' lot

Yeah, I love to see the neon dancin' on the gravel  
I love to hear the pickup trucks come unraveled  
Some've given up, some've given in  
Seems like everybody's lookin' for a friend  
Out in the parkin' lot

I'm sittin' on the fender of someone else's truck  
Drinkin' Old Crow Whiskey and hot 7 Up  
Out in the parkin' lot
