She moved into my old apartment
That's how we got this whole thing started
She called and said that I had mail
Waiting there for me

I told her that I'd come and get it
How could I know in just a minute
That I'd be standing face to face
With my own destiny

Oh, and we sat there talking
Just like we were old friends
Oh, then I asked her
Can I see you again

She said yes, and I said why
And she said when, and I said how about right now
Love can't wait, then I asked if she believed in fate
And she said yes

The days flew by just like a fast train
And nothing else has been my brain
Except the thought of how she makes me
The man I wanna be
She's the one I want for a million reasons
Loving her is just like breathing
It seems the end is obvious
She was made for me

Oh, then it happened one night
Looking in her eyes
Oh, when I popped the question
Much to my surprise

She said yes, and I said why
And she said when, and I said how about right now
Love can't wait, then I asked if she believed in fate
And she said yes

So we called a preacher, family and friends
And nothing's been the same since she said yes
And I said why

And she said when, and I said how about right now
Love can't wait, then I asked if she believed in fate
And she said yes
She said yes
