She's a yellow pair of running shoes
A holey pair of jeans
She looks great in cheap sunglasses
She looks great in anything

She's 'I want a piece of chocolate'
'Take me to a movie'
She's 'I can't find a thing to wear'
Now and then she's moody

She's a Saturn with a sunroof
With her brown hair a-blowing
She's a soft place to land
And a good feeling knowing

She's a warm conversation
That I wouldn't miss for nothing
She's a fighter when she's mad
And she's a lover when she's loving

And she's everything I ever wanted
And everything I need
I talk about her, I go on and on and on
'Cause she's everything to me

She's a Saturday out on the town
And a church girl on Sunday
She's a cross around her neck
And a cuss word 'cause it's Monday

She's a bubble bath and candles
Baby, come and kiss me
She's a one glass of wine
And she's feeling kinda tipsy

She's the giver I wish I could be
And the stealer of the covers
She's a picture in my wallet
And my unborn children's mother

She's the hand that I'm holding
When I'm on my knees and praying

She's the answer to my prayer
And she's the song that I'm playing

And she's everything I ever wanted
And everything I need
I talk about her, I go on and on and on
'Cause she's everything to me

She's the voice I love to hear
And someday when I'm ninety
She's that wooden rocking chair
I want rocking right beside me

Everyday that passes
I only love her more
Yeah, she's the one
That I'd lay down my own life for

And she's everything I ever wanted
And everything I need
She's everything to me
Yeah, she's everything to me

Everything I ever wanted
And everything I need
And she's everything to me
