I could've been workin' overtime  
Or at home tryin' to make that truck run right  
Instead of wadin' out in that stream  
All day long barely catchin' a thing  
Just me and dad  
I'm glad he talked me in to that

*[1st Chorus]*

It was time well wasted  
And there's no way I trade a few more dollars in my  
pocket I could've spent  
For a day I'll never forget  
No, I didn't get a thing done  
But I sure soaked up every minute of the memory we  
were makin'  
And I count it all as time well wasted

Those leaves were a foot deep in the yard  
And 'wash me' was written all over the car  
But watchin' movies all day with you  
Wasn't on my list of things to do  
But we laid on that couch  
Girl, we never left the house

*[2nd Chorus]*

It was time well wasted  
And there's no way I trade a few more things that I  
could've crossed off my list

For a day I'll never forget  
No, I didn't get a thing done  
But I sure soaked up every minute of the memory we  
were makin'  
And I count it all as time well wasted

*[Bridge]*

This world spins too fast if you let it  
There's always one more thing to do  
But lookin' back I never have regretted  
Takin' off early or callin' in sick  
Or lovin' away a Sunday afternoon

*[3rd Chorus]*

It was time well wasted  
And there's no way I trade a few more dollars or things  
crossed off my list  
For a day I'll never forget  
No I didn't get a thing done  
But I sure soaked up every minute of the memory we  
were makin'  
And I count it all as time well wasted
