Everyone expects you to be perfect  
Lead a perfect life  
But are all just human  
And inside we know  
We all mess up sometimes

We gotta break free  
We gotta break free  
We gotta break

I can't follow all the time  
Just wanna color outside the lines  
Can't express how it feels  
But it feels so good  
Don't ever want to let it go  
Woah, woah, woah

Sooner or later they have to realize  
That no one is perfect  
On the inside or out  
Sometimes we've just got to shout  
Out to the world  
All of our frustrations  
If not never then now

We gotta break free  
We gotta break free  
We gotta break

I can't follow all the time  
Just wanna color outside the lines  
Can't express how it feels  
But it feels so good  
Don't ever want to let it go  
Woah, woah, woah

Just another bump in the road of life  
Never let it get you down  
Cause nothing can stop you  
Nothing can stop us now

I can't follow all the time

Just wanna color outside the lines  
Can't express how it feels  
But it feels so good  
Don't ever want to let it go  
Woah, woah, woah
