On the outside
You I can make a whole new person
Put on a mask and pretend
That everything's okay
Build up a fake wall
Sooner or later I will fall

Is this me
Or who I am trying to be

I am me
I am real
I know that I am beautiful
No need to hide
All I need is what's inside
Doesn't matter how I look
Doesn't matter what I wear
Because this the real me

Even though it's hard sometimes
I have to accept everything
That I am
Even the parts I don't like
Because this is me
And I know it inside
But I'm tired of hiding
And I'm tired of dyeing

Is this me
Or who I am trying to be

I am me
I am real
I know that I am beautiful
No need to hide
All I need is what's inside
Doesn't matter how I look
Doesn't matter what I wear
Because this the real me

I am free
I am hiding

I love
I hate
I smile
I cry
I am only human inside
I am free who I want to be

Is this me
Or who I am trying to be

I am me
I am real
I know that I am beautiful
No need to hide
All I need is what's inside
Doesn't matter how I look
Doesn't matter what I wear
Because this the real me
