If I can't stand to even look at you
Then why do I feel like this
It's getting harder to pretend
I can't believe
That these feelings are overtaking me

It is impossible to love you
But I am falling fast
I didn't want it to be true
But I don't want to love you

Now you've gotten me all confused
Now you've got me feeling this way
How did it come to this
Where did I go wrong
Or is it where did I go right

It is impossible to love you
But I am falling fast
I didn't want it to be true
But I don't want to love you

Get out of my life
Get out of my head
Get out of my face
Because now I know
Because now it's true
I am in love with you

It is impossible to hate you
But I fell so fast
Oh, I want to love you
But do you love me too
