Oh, oh, oh  
Da, do, do  
Oh, oh, oh  
Da, do, do

You make me smile  
You make me laugh  
You make me feel loved  
Everything about me you know  
You don't forget a thing  
How could I ever ask for more  
No one will ever replace you

You make me so happy  
Like in the summertime  
So cozy and warm  
My feelings are right  
I'm sure of it  
We'll be together forever

I'll do anything for you  
You'll do anything for me  
Let's just make the best of each other  
Through love  
Through tears  
Through everything

You make me so happy  
Like in the summertime  
So cozy and warm  
My feelings are right  
I'm sure of it  
We'll be together forever

Even if we bend  
We will never break  
Our love is too strong  
No one could ever bring us down  
Our love is so strong

You make me so happy  
Like in the summertime

So cozy and warm  
My feelings are right  
I'm sure of it  
We'll be together forever
