I try to hide  
I try to deny  
All the pain I feel inside

I feel it coming  
Coming so slowly  
It will catch me

I am drowning  
In all of the lies  
Cause underneath the smile  
I am empty inside  
I'm ready to burst  
I'm slowly going crazy  
You don't understand what's inside

I don't understand  
Why it comes back to me every time  
Why am I the one  
Who has to suffer  
Who has to hurt  
Who has to cry myself to sleep at night

I feel it coming  
But it's already caught me

I am drowning  
In all of the lies  
Cause underneath the smile  
I am empty inside  
I'm ready to burst  
I'm slowly going crazy  
You don't understand what's inside

I knew from the very start  
This will break my heart  
The reason I am like this  
Is because of you  
But now I don't want to stay away  
This is not safe for me to say

I am drowning

In all of the lies  
Cause underneath the smile  
I am empty inside  
I'm ready to burst  
I'm slowly going crazy  
You don't understand what's inside
