CHORUS:

Is there someone else you want?  
Are you playing with my heart?  
That's what they say, they say  
The word is out on you  
Heard you're out there doing your do  
That's what they say, they say

(Rina)

How do I begin?  
I heard it from a friend  
Said they saw you with some other girl  
And, baby, only you can tell me the truth  
Someone's lying, don't let it be you

(Rina & Criss)

If you've got it in your heart that you wanna be free

(Criss)

Be a man, lemme know  
Don't make a fool outta me

(All)

A little birdie told me that you were on your out

(Criss)

You can just fly away 'cause the word is out

CHORUS

(Daniel)

I'm getting tired of what I'm feeling  
Rumors going around just what I was fearing  
Tell me the truth do you like it with two?  
But I don't live to play, so baby be on your way

(All)

Easy come, easy go if I gotta let you know

(Robbie)

That won't be too hard, baby if you've been untrue

(All)

Is your love just too much to give only to me, girl?

(Robbie)

If it's so, I gotta move on

I'm leaving your world

CHORUS
