1.

Everybody's getting religion  
Everybody's leaving town  
How do I get to the World Trade Centre  
Well, Mister, it's just two blocks down  
Tunnel vision driving the country  
Tunnel vision driving the world  
I just can't connect with my TV station  
Everybody's dissing my Girl

2.

Yeah, I believe in Allah,  
Yeah, and I believe in God,  
They both come from Jee-Hoovah,  
Jee-hoovah is a sod.

(CHORUS)

Hope you all enjoy it  
How long's it gonna last?

Cause I'm so worried 'bout my pagan ass

3.

Everybody's monotheistic  
Everybody's surfing the net,  
Son, can you please buy my Big Issue  
Mister, I'm just trying forget  
Single cell creatures of Washington  
Trying to stop a fire with a fire  
Islam patriarchy 2D-vision  
Ground Zero funeral pyre

4.

Yes, I believe in Freyja,  
And I believe in Frey  
And I believe in Frigg  
In every woman today
