From the morning get wake up, get eat food
Get to forget the e trip last night!
From the bed to the kitchen get big cup of water
Make me feel healthy!
Turn on the fucking computer, watch the display is my
job
Check all the sex sites, my brother wanna sbit again!
This is my simple life
After a beer I get a joint! That's all day's drink & drug
fucking started
cannot control my self, I'm so exciting
Cos' tonight we get party
My band gonna play the fucking gig
Kick ass crazy fucking punk!
Get to drink a lot! Oi! Pogo a lot!
Get to drive out and fuck a lot!
Never gonna sleep tonight!
