Pagan Dawn
Pagan Dawn
Pagan Dawn
Pagan Dawn
Pagan Dawn
Pagan Dawn

Look to the whore risin'
Let me tell you what it is you see
A 5-mile-wide mamma
Says we're all betrayed by the Patriarchy -

Cause Farmer Sootickle's killed his cows
Cause Farmer Sootickle's killed his sheep
Cause Farmer Sootickle's killed his pigs

To set the politicians free

Pagan Dawn
Pagan Dawn
Pagan Dawn
Before too long
A Pagan Dawn

Pagan Dawn
Came around my flat
Can you get to that?
Can you get to that?
Yeah, she wakes me in the early morn
Till I have to worship
At the crack of Dawn
At the crack of Dawn
