### "Double Heart"

He was sweet as cotton candy at a county fair  
Well he's a cold drink of water with butterscotch hair  
He swore that he loved me  
Well I guess he probably did  
'cause when he rolled up his sleeve one day  
I saw my name next to his

A new tattoo stinging like a hornet  
Two little hearts like a big red warning  
I wasn't looking for a permanent thing  
First comes the ink, then comes the ring

Burn burn baby  
I bet we could've made a bunch of sweet memories  
You should have slowed down mister  
Moving like a twister's just a little fast for me

So now it's 0 to 60  
And if you ever miss me I'm right there on your arm  
Don't you cry, I'll leave you something behind  
Skid marks and a double heart

Well he's a tough bronc buster  
I bet he sleeps in his boots  
Well he tried to throw a rope around me right out of the  
shoot  
He swore that he loved me  
Well I reckon he probably did  
'cause when he rolled up his sleeve one day  
I thought here we go again

A new tattoo burning like a brand  
Two little hearts on my rodeo man  
I wasn't looking for a permanent thing  
First comes the ink, then comes the ring

Burn burn baby  
I bet we could've made a bunch of sweet memories  
You should have slowed down mister  
Moving like a twister's just a little fast for me

Well now it's 0 to 60  
And if you ever miss me I'm right there on your arm  
Don't you cry, I'll leave you something behind  
Skid marks and a double heart  
I'm a free bird

A new tattoo whistling Dixie  
Two little hearts ain't gonna get me  
I'm not looking for a permanent thing  
So don't you put ink 'til I take the ring

Burn burn baby  
I bet we could've made a bunch of sweet memories  
You should have slowed down mister  
Moving like a twister's just a little fast for me

Well now it's 0 to 60  
And if you ever miss me I'm right there on your arm  
Don't you cry, I'll leave you something behind  
Skid marks and a, skid marks and a  
Skid marks and a double heart  
Well, I'm a free bird
