I remember when my heart caught the fever.
You were standing all alone in the summer heat.
I was with my boyfriend, my new boyfriend; he was as
sweet as he could be.
But one look at you and I was through
my heart switched up on me.

Like a postcard from Paris when I've seen the real
thing.
Its like finding out your diamond is from an old
promise ring.
Come on back from your fortune teller she read your
cards upside down.
The meanest thing you ever did is come around
and now, I'm ruined.

In the evening you can catch me daydreaming.
Did that moment send you reeling just like me?
I should have gone over right over I should of never let
you leave.
But its the never knowing that keeps this going and
drives me.
Like a postcard from Paris when I've seen the real
thing.
Its like finding out your diamond is from an old
promise ring.
Come on back from your fortune teller she read your
cards upside down.
The meanest thing you ever did is come around.

Just when I thought things were alright,
my eyes play tricks on my mind, yeah.
Will I ever be satisfied cause all I ever seem to find is...
a postcard from Paris, when i need the real thing.
its like finding out your diamond is from an old
promise ring.
Come on back from your fortune teller she read your
cards upside down.
The meanest thing you ever did, the cruelest thing you
ever did, the meanest thing you ever did is come
around.
I am ruined.
