I don't know what I was thinking
You were no good but you could do some fancy talking
I know your tricks and delight for a Gumball Machine
(nooo...)
You can keep your quarter man 'cause you won't get
nothing sweet out of me

I'm quitting, (quitting), quitting, (quitting), quitting, I'm
quitting you
Like a girl wants her chocolate, yeah, I know that I'll
miss you
But I'm quitting, (quitting), quitting, (quitting), quitting,
I'm not kidding I'm kicking you,
Cause you're my bad habit and I'm quitting you

What don't know what the heck you're thinking
It's gonna, gonna take a better man, I bet, to win my
hand,
I'm not gonna play your game, I don't like the high
stakes,
I'd rather sit alone at home than one more round of old
maid
I'm quitting, (quitting), quitting, (quitting), quitting, I'm
quitting you
Like a gambler leaving Vegas, boy, you know that I'll
miss you
But I'm quitting, (quitting), quitting, (quitting), quitting,
I'm not kidding I'm kicking you,
Cause you're my bad habit and I'm quitting

Cold turkey, giving you the cold shoulder,
Off, like a band-aid, one quick sting, then it's over

I'm quitting, (quitting), quitting, (quitting), quitting, I'm
not kidding I'm kicking you,
Cause you're my bad habit and good ... have it,
You're my bad habit and I'm quitting you, you, yeah
yeah yeah
