Braintax:

You know Im moving on a positive course  
In the future plan to have a 100 acres of sorts  
On my ranch in France, barbecues in the summer  
Cash Moneys on the decks cuttin up Funky Drummer  
My kids run around freestylin with their friends  
Me and my girl plus my friends and their wives get the  
bends  
Smoking prime marijuana picked straight off the stem  
Breaking competition and my son scores a 10  
Everybody to the lake at the top of the estate  
Lifes great! Me and my Brazilian mate Joselito  
Bought a crate of the finest live bait  
So we push out the boats, just an hour to wait  
Fresh skate on the barbi everybody congregate  
Fresh fish that's my favourite dish, pass your plate  
Cos tonight we watch the sunset contented  
Everybody saying Peace and I know that they meant it  
Ill leave my spirit in the garden like Marlon  
And bury me up in the orchard but leave at least a yard  
on  
Ill be growing still, absorbing knowledge at a crazy rate  
Analyse the soil contemplating on my lazy state  
Yeah Im chillin down here with the worms

Now Im gone though, I don't have to worry about germs  
Im spreading out my carbon giving back to life  
Spreading heat through the ground to my kids and wife  
Its not the afterlife, it's just the way we still affect  
Piece of pie, peace of mind plus a helping of respect  
Focus on the wide sky, white wine  
Rising early with the sun and watch the stars all night  
Yeah the futures bright  
The futures Resting On Your Godly Breath - Inner Vision  
(Rainbow) that's if you get my drift  
I feel my sense like Im sitting with my son on a cliff  
Watch the sunset and face the wind smoking a spliff  
Peace like the time you wake up and you can lie there  
And feel well-balanced irrespective of the nightmare  
Todays another day kinda like the other 6  
Weetabix..check my emails.  
J Christie soundscapes, you fill in the details

My thoughts spark pre-sales  
Im trying to get off this rock before the sea swells  
My peace gets better everyday if I save  
But if I spend it all at once heading for an early grave  
give me..  
Peace
