Come into these arms again and lay your body down
The rhythm of this trembling heart is beating like a
drum
It beats for you, it bleeds for you, it knows not how it
sounds
For it is the drum of drums, it is the song of songs

Once I had the rarest rose that ever deigned to bloom
Cruel winter chilled the bud and stole my flower too
soon
Oh loneliness, oh hopelessness to search the ends of
time
For there is in all the world no greater love than mine

Love o love o love o love o love o love
O love still falls the rain
Love o love o love o love o love o love
O love still falls the night

Love o love o love o love o love o love
O love be mine forever
Love o love o love o love o love o love
O love o love o love o love o love o love

Let me be the only one to keep you from the cold
Now the floor of Heaven is laid with stars of brightest
gold
They shine for you, they shine for you, they burn for all
to see
Come into these arms again and set this spirit free
