I wonder helplessly day by day  
It's so much easier to run away  
My mind is spent, my body sold  
Never knowin' which way to go

But I'm always there for you, baby  
Won't you let me see  
If we can get closer everyday, yeah

I wanna be touched by you  
I wanna be felt by you  
I wanna be loved by you  
I wanna be anything you want me to

Don't mean nothin' when you're growing' old  
Nobody knows what the future holds  
I am left with a bitter taste  
Turn away from this beautiful chase

I'm always there for you, baby  
Won't you let me see, yeah  
If we can get closer everyday

I wanna be touched by you  
I wanna be felt by you  
I wanna be held by you  
I wanna be anything you want me to be, yeah

I wanna be felt by you  
I wanna be touched by you  
I wanna be hugged by you  
I wanna be anything you want me to be, yeah

Oh oh, oh baby, oh
