I found an old photograph today,
I dusted it off and put it back in place,
That's part of the healing.
Wherever you are I hope you're fine,
I took it hard and it took some time, but I'm finally
dealing, I really mean it.

And I'd give anything just to let you know, that I carry
you everywhere I go,
But the pain and the tears and the wish you were heres
were to heavy a load,
Impossible for me to hold.
So I'm letting go.

Still finding the pieces of me under the rug, still trying
to fill the hole that you opened up,
But I'm getting better, I'm coming together.

And I'd give anything just to let you know,
That I carry you everywhere I go,
But the pain and the tears and the wish you were heres
were to heavy a load,
Impossible for me to hold.
So I'm letting go.

And I carry you everywhere I go,
And I wont forget loving you when I get old.

And I'd give anything just to let you know that the pain
and the tears and the wish you were heres were to
heavy a load
Impossible for me to hold.
Ohh I miss you so,
But I'm letting go.
