He gets off work about 5,
Been gearing up all day, for a hot friday night,
There's a big ol' party, down by the lake,
Got a cooler, and a case, got girls all over the place.
When the sun starts sinking down real low,
Hooks monster speakers to the stereo,
He climbs up in the bed of his trucks
And starts screaming at the top of his lungs.

When you do it in the country you go Thump Thump
Thump,
When they do it in the city they go bump bump bump,
So throw up your hands and jump jump jump,
Cause everybody wants to go,
The real nitty gritty, the country or the city,
Everybody wants to go thump Thump Thump.

She gets off work 4:15,
Jumps in a tanning bed, then she calls up Irene,
She says hey girlfriend, do you wanna run around,
I'm on a mission, I'm going fishin' for a party out on the town.
They found a place where the band was rocking, the
boys were manly and the times were poppin,
Up on the bar, putting on a show, kicking up her heels
and letting everybody know.

When you do it in the country you go Thump Thump
Thump,
When they do it in the city they go bump bump bump,
So throw up your hands and go jump jump jump,
Cause everybody wants to go,
The real nitty gritty, the country or the city,
Everybody wants to go Thump thump thump.

Yeah, yeah, oh yeah,
Yeah, yeah, oh yeah.

When you do it in the county you go Thump thump
Thump,
When they do it in the city they go bump bump bump,
So throw up your hands and jump jump jump, Cause

everybody wants to go,
When you do it in the country you go Thump Thump
thump,
When you do it in the city they go bump bump bump,
So throw up your hands and jump jump jump,
The real nitty gritty,
The country or the city,
Cause everybody wants to go Thump Thump Thump...
