she rolls her eyes  
and lights another  
"one day i'll quit these things,  
they're killing me."  
she blows her brains  
right out her fucking mouth  
i just don't know how you do it

well, there is nothing in me  
that you don't have  
deep within your fucking self  
well, there is nothing in me  
that you do not have  
deep within your fucking self

but the mind is stronger  
it controls the body

and i am not a superhero!

you see, the difference between hard and impossible  
well, it's a thousand miles wide  
but that's not what you want to hear.  
don't live a lifetime of regret.  
is there a moment of uncomfort  
never knowing, no, no, never knowing  
how great it feels to be free
