[Chris Brown]

Some people have to learn
Some people wait there turn
Some people have to fight
Some people give it up

[Chipmunk - Verse 1]

They wanna hold you back, tell 'em pee off
Whenever they say you can't, take the c off
I remember when they told me I couldn't be famous
Now my dream and reality is simultaneous
And work your own way to the top
If they put you on a pedestal they can take you off
And there's a higher level than the top
You gotta make more, don't do with what you got
Yeah, so get it in go sunny
Not everybody gets a second chance at getting money
Or even getting lucky so you gotta feel
The hunger in your tummy

[Chris Brown]

I'm always pushing myself to the limit
Making sure I stay ahead
You made me who I am, from the words you said

Some people have to learn
Some people wait there turn
Some people but not me
I was born a champion

Some people have to fight
Some people give their lives
Some people don't believe
I was born a champion
But I was born a champion
But I was born a champion

[Chipmunk - Verse 2]

Imagine you was the one, that couldn't get a look in
Couldn't get a booking
Couldn't get a push in when you needed a shove

Or your buttons they be pushing
So now they tryna shush him
It's only you believing in you
They turn you into a bastard than moment you rude
Attitude a little out of tune
But that's how champions move
Yeah so go and get it in sunny
Not everybody gets a second chance at getting money
Or even getting lucky
So you gotta feel the hunger in your tummy

[Chorus]

[Chipmunk - Verse 3]

No-one wants to help
I guess you're on your own
Build a foundation with the bricks they throw
In a black and white World, True colours show
Change if you want, everybody grows
Life's like an ill, but try and get a hold
Opinions aint fact, take em and let em go
