Close your eyes to see  
Seal your mouth to speak  
To face the truth you hide  
To feel you have to lie

We'll break the chains of life  
We'll change the fate tonight  
Take one last breath and pray  
This City Must Fall Today

We Must Try and Sacrifice  
We'll never compromise  
To Follow in your lies  
We Must Try and Sacrifice  
We'll never compromise  
To Follow in your lies

To breathe you hold your breath  
To stand you have to rest  
To face the truth you hide  
To feel you have to lie

We'll break the chains of life  
We'll change the fate tonight  
Take one last breath and pray  
This City Must Fall Today

We Must Try and Sacrifice  
We'll never compromise  
To Follow in your lies

We Must Try and Sacrifice  
We'll never compromise  
To Follow in your lies

The Walls Are Coming Down

We Must Try and Sacrifice  
We'll never compromise  
To Follow in your lies  
We Must Try and Sacrifice  
We'll never compromise

To Follow in your lies  
We Must Try and Sacrifice  
To finish what we started  
We dream of yesterday
